My Life, My Journey, My Story:

From a Tanzania refugee camp to America.

THURSDAY

**Third Annual Hope
Ministries' Winter BBQ**
Sioux City Country Club
4001 Jackson St., Sioux City, IA

A Burundi native, Wilson lived in extreme poverty in a Tanzanian refugee camp from age 2 to 13. In 2008, his family left the camp and came to the United States. His experiences in the camp led Wilson to question God's love and his life's purpose and value.

Wilson will share his story and the lessons he learned in the refugee camp "that no man can teach." Overcoming a hopelessness arising from negative thinking is the core of Wilson's message.

Today, Wilson is an inspirational speaker, and writer. He is currently getting his MBA at the University of Sioux Falls, South Dakota.
